AN APPEAL

Situated in the holy land of Lord Jagannath, Ramakrishna Mission Ashrama, Puri has been working for the people of Odisha for the last more than 78 years mainly with its twin objectives – A public library which started functioning in 1944 and a Students' Home which started functioning in 1956. Our library is a leading Public Library in Puri town with a reading room which is visited by more than 100 readers daily in average and its lending section contains more than ten thousand books. The Students' Home presently accommodated 70 S.T. poor and meritorious students drawn from different Tribal districts of Odisha who are almost first generation learners.

Apart from this the Ashrama runs a mobile medical unit and at the time need undertakes relief work, such as Flood Relief, winter Relief and etc.

To manage all these works the Ashrama maintains about 10 to 12 workers engaged in kitchen and office etc., we had some accommodation for them but in the last 'Funi' in 2019, which caused disaster in Puri damaged it.

Puri being a place of pilgrimage centering around Lord Jagannath many sadhus visits Puri, specially during Car Festival (Rath Yatra) when we face difficulties to accommodate them in the Ashrama.

Under these circumstances, to accommodate the workers and he visiting monks, with the approval from Headquarters, Belur Math and competent Authorities, we have taken up the construction of a Two-storied Building with foundation for 3-storeys. the construction covers the Floor Area of 2620.64 sft. and the Estimated cost comes to Rs.45 lakh(Appx.).

We appeal to the benevolent people, devotees and admirers to extend their financial help to the humble Project.
