8. Outputs (physical numbers) and Outcomes (qualitative changes) achieved by the project

The Students' Home has a brilliant academic achievement behind it even though many boarders from the downtrodden rural poor families have no trace of literary in the family Tree. After completion of education many ex-boarders have been placed in very high positions in the State, like, OAS, Doctors, Engineers, Lecturers, Bank Manager, etc. It is always our endeavour to provide a healthy atmosphere to the students, during their stay in the hostel, for their all-round development – moral, physical and mental.

Annual High School Certificate Examination (HSC Exam.) result last 5 years.
